

ABU DHABI PROJECTS AND INFRASTRUCTURE CENTRE (ADPIC)

ABOUT ADPIC

Established in 2023, ADPIC's vision is to oversee and manage capital projects aimed at enhancing the quality of life for every resident in the Emirate of Abu Dhabi. This involves diverse projects such as housing, infrastructure, tourism, community facilities, and education.

ADPIC's mandate includes managing contracts, reviewing, approving, planning, and designing capital projects. These are overseen by the Centre in close collaboration with relevant entities and stakeholders to ensure quality is maintained while also facilitating efficient project execution in alignment with Abu Dhabi's strategic goals.

Throughout its operations, the Centre is committed to strengthening public-private partnerships and adopting global best practices in sustainability.
